

# Iowa Motor Truck Association FUEL SAVINGS PROGRAM

## Bigger Discount Now Available

The Iowa Motor Truck Association has been helping its members save on fuel since 2010 through a partnership with Pilot Flying J.

Pilot Flying J will provide all eligible IMTA members with a 5-cent savings off every gallon of diesel purchased at any of its locations nationwide. That's a network of more than 650 fuel stops, including 16 in the state of Iowa.

Cash price at the pump and no transaction fees on fuel purchases remain part of this exclusive member benefit, and the combination of these savings could lower a company's bottom line so much that its annual membership dues to the IMTA would be recouped within months!

Don't delay in signing up. This is a proven program that offers an immediate return on investment.

## Checklist to Saving with the IMTA

- ››› Be a member of the IMTA
- ››› Have 1-of-5 approved fuel cards  
(Comdata, EFS, Fleet One, TCH, Tchek)
- ››› Become a Pilot Flying J direct bill customer
- ››› Pay Pilot Flying J by electronic funds transfer (EFT)  
at least once per week for fuel bought at its locations
